

TriMas Packaging Awarded EcoVadis Gold Rating for Sustainability Efforts

January 29, 2025

U.S.-based Sites Earn Gold for Second Consecutive Year

BLOOMFIELD HILLS, Mich.--(BUSINESS WIRE)--Jan. 29, 2025-- TriMas (NASDAQ: TRS) today announced that its TriMas Packaging group has retained the Gold level rating for its Environment, Social and Governance (ESG) initiatives. This achievement places TriMas Packaging's U.S.-based sites, assessed under the name Rieke LLC, in the top 5% of more than 130,000 companies assessed by EcoVadis globally, highlighting the company's commitment to sustainable and responsible business practices.

EcoVadis is a globally trusted leader in business sustainability assessments and its methodology is based on international sustainability standards, including the Ten Principles of the UN Global Compact, the International Labour Organization (ILO) conventions, the Global Reporting Initiative (GRI) standards and the ISO 26000 standard. The EcoVadis scorecard evaluates companies across 21 criteria, grouped into four core themes: Environment, Labor & Human Rights, Ethics and Sustainable Procurement. These assessments provide an evidence-based analysis of sustainability performance and an actionable roadmap to support continuous improvement and drive impactful change.

"Sustainability and corporate social responsibility are fundamental principles that drive our daily operations," commented Fabio Salik, TriMas Packaging Group President. "Achieving EcoVadis Gold reflects the shared commitment of our employees, customers, suppliers and stakeholders. Together, we are making significant progress that strengthens our business while positively impacting the environment and the communities we serve."
