TriMas Announces Closing of Debt Refinancing

BLOOMFIELD HILLS, Mich., Sept. 20, 2017 (GLOBE NEWSWIRE) -- TriMas (NASDAQ:TRS) today announced the closing of its offering of \$300 million in aggregate principal of senior unsecured notes due October 2025 (the "Notes"). The Notes will bear interest at a fixed annual rate of 4.875%.

Proceeds from the Notes offering were used to repay all outstanding obligations of TriMas' Term Loan A facility, repay a portion of outstanding obligations under TriMas' accounts receivable facility, and pay fees and expenses related to the refinancing.

In connection with the Notes offering, the Company also amended its senior secured credit agreement to reflect revolving loan commitments of \$300 million and extend the maturity to September 2022. The existing rate on the revolving loan remains the same, bearing a current interest rate of LIBOR plus 1.625%.

"Due to TriMas' improved financial performance and attractive credit markets, we had the opportunity to successfully refinance our debt and extend our maturities at favorable rates," said Thomas Amato, TriMas' President and Chief Executive Officer. "Our new capital structure provides enhanced flexibility for TriMas to continue its momentum and grow well into the future."
